CLANS AND TARTANS OF SCOTLAND

Book Condition: New. Ships From Canada. New. No dust jacket. Sewn binding. Cloth over boards. From Our Editors Before grunge rockers and their ratty fans followed suit by wearing plaids of all colours and patterns, Scottish folk wore their tartans and clan marks with pride. From Angus to Wotherspoon, Iain Zaczek brings readers all the vivid detail about the origins, styles and principles behind these wonderful identifications. The sense of history in Clans and Tartans of Scotland runs deep here while the photographs and maps connect the marks to castles and regions of this highland country. For such an impressively produced book, the low price makes this a great gift of heritage for Scottish descendants.
