Kuperard, United Kingdom, 2016. Paperback. Book Condition: New. 2nd. 171 x 108 mm. Language: English . Brand New Book. Cuba is a land of contradictions that is easy to enjoy but difficult for first-time visitors to decipher. The largest island in the Caribbean, it is a tropical paradise that Christopher Columbus called the most beautiful land that human eyes have ever seen. It is famous for the romantic charm of its crumbling colonial cities, the beauty of its white sand beaches, and its irresistible Afro-Cuban dance beats. But it is also a land of shortages and tight government control, which has been in a sixty-year political standoff with its superpower neighbor, the USA. The homegrown version of single-party socialism created by Fidel Castro has kept Cuba in a Cold War time warp that only now is beginning to change. As travel restrictions are relaxed US tourists can once again visit the island. Greater flexibility toward private enterprise is opening it up to boutique hotels and high-quality home-based restaurants. There is a boom in special-interest tourism for cyclists, hikers, birdwatchers, and scuba divers, while foreign entrepreneurs are eagerly exploring investment opportunities. Culture Smart! Cuba will take you beyond the usual descriptions...
