

Information Literacy: One Key to Education: Summer 2008

By Margit Misangyi Watts

John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Information Literacy: One Key to Education: Summer 2008, Margit Misangyi Watts, This issue draws on the expertise of librarians and faculty to highlight the central role of information literacy in higher education. The authors show how approaches to information literacy can be used to engage undergraduates in research and creative scholarship. The articles clarify definitions of information literacy and illustrate various means of curricular integration: OL P:* Reforming the Undergraduate Experience* Librarians as Agents of Change: Working with Curriculum Committees Using Change Agency Theory* Global Educational Goals, Technology, and Information Literacy in Higher Education* Information Literacy and Its Relationship to Cognitive Development and Reflective Judgment* Information Literacy and First-Year Students* Effective Librarian and Discipline Faculty Collaboration Models for Integrating Information Literacy into the Fabric of an Academic Institution* Dynamic Purposeful Learning in Information Literacy* College Student Engagement Surveys: Implications for Information Literacy Students regularly miss the relationship between the information-seeking process and the actual creation of knowledge. The authors in this issue support infusing the undergraduate curriculum with research-based learning to facilitate students' ability to define research for themselves. Most importantly, this volume argues, students' information literacy leads beyond...
