Xulon Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.About the Author: The Inspiration to write these poems manifested from deep thoughts and the motivation of self. These were experiences that made me think without over thinking. Long ago I realized that I had some really hard times and made some bad decisions from listening to others. I prayed my way through and persevered. Through those times I realized that good always overcomes the things that are bad and out of my control. I then realized that no matter what life throws at me each year has been great. I look at myself realize my own potential for greatness. It is important to be self-aware, motivated, and focused. I am a Charlotte, North Carolina native where I attended Harding University Highschool. I attended North Carolina Agricultural and Technical State University where I obtained a Bachelor s Degree in Psychology. I later went on to attend University of Phoenix where I obtained my Master s Degree in Psychology. I currently reside in Northern Virginia with my daughter and my husband. I am currently attending Capella University where I am in the final stages of completing my PhD in Advanced Studies in Human Behavior. I started Mind s 1st, LLC as a way to incorporate my skills and experiences to others in society. I have plans for several other books which will add other levels of knowledge to the world.
