Book Publishing Company, United States, 2001. Paperback. Condition: New. Language: English . Brand New Book. Traditional Muskogee Way. The Cherokee and Hitchiti author shares his knowledge of medicinal uses of plants and traditional Native root-doctoring techniques. Readers learn how to identify, honor, and select common wild plants and are given information about responsible harvesting versus cultivation. The author explains how to prepare liniments, lotions, oils, salves, teas, and tinctures, and recommends specific remedies for numerous ailments. A must for beginners as well as serious students of herbology. Indexed and illustrated and indexed by both plant name and medical topic. Tis Mal Crow had also worked internationally with indigenous healers and herbal groups to promote the medicinal uses of herbs and the conservation of the wild habitat needed to sustain the growth of medicinal herbs.
