Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

New Generation Publishing, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.One star shines silver through the dusk, alone. Fireflies dart flashing by; quick, flickering gleams. A rose-red glow still lingers on the stone Of shuttered houses touched by late sunbeams. Turn through the pages of this, Diana Momber s inspirational collection, and come away with an over-whelming sense of her greatest theme: love. Drawing on the delights of beauty in nature, art and poetry, and on encounters both spiritual and earthly, Onwards Towards the Light captures perfectly those moments that linger briefly in everyone s life before they are forgotten.
