Reviews

This sort of pdf is everything and made me searching forward plus more. Better then never, though i am quite late in start reading this one. You may like just how the author compose this book.

(Mae Jones)

THE ART OF LECTURING (PAPERBACK)

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Art of Lecturing is a classic teaching guide/pedagogy manual by Arthur M. Arthur. For some time I have been besieged with requests to open a Speakers Class or A School of Oratory, or, as one ingenious correspondent puts it, a Forensic Club. With these requests it is impossible to comply for sheer lack of time. I have decided, however, to embody in these pages the results of my own experience, and the best I have learned from the experience of others.
