Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.You have heard of The Great American Novel; maybe even read one. Now meet The Great Floridian Novel. Much in the gonzo tenor of McKee's *The Culprit*, this tale continues the adventures of two fated lovers—Sean and Jane—as they confront and confound the system of checks and imbalances that is today's Sunshine State: ancient Calusa artifacts, a murderous poacher, radical environmentalism, unusual animals, and a horrific hurricane. A species of Florida gothic, with a dash of magic realism, *The Trickster* also dares to be, against all odds, a Romance. McKee's *Trickster* is definitely not from concentrate. It captures every drop of the punishing yet beautiful peninsula that is Florida, and it rolls off the page with a lyrical rhythm that could only come from someone with a knowledge of the state's wild essence in his marrow. -- Tim Dorsey *New York Times* bestselling author of *Florida Roadkill*, *Tiger Shrimp Tango*, and many more.
