Touching the Halo is a guide to the spiritual and emotional journey of parenting a child with a disability. Kathleen Lindsey-Moulds has used the metaphor of living with an angel to explain the journey and her struggle toward acceptance. The story follows personal upheaval and the steps involved in creating a meaningful lifestyle. Anyone who has experienced a catastrophic event knows that life is permanently altered. Although there have been many self-help books written on the cycles of acceptance (denial, bargaining, grief, anger, acceptance) texts on parenting a child with disabilities usually provide practical tips for managing a disability lifestyle. Ms. Lindsey-Moulds has taken the steps of acceptance deeper. Her search for the answer to the big question, why, takes her to the heart of every parents frustration. Ultimately she achieves acceptance, not only of her sons disability but of herself. Her admissions of less than perfect personal qualities are written with soul searing honesty. Without sugar coating reality this book leaves the reader with a sweet appreciation of life. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
