Reviews

An extremely wonderful ebook with lucid and perfect explanations. I was able to comprehend almost everything using this composed e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Alfred Music, 2002. Paperback. Condition: New. Language: English . Brand New Book. Chop-Monster is a sequential jazz improvisation method by acclaimed jazz pianist and educator Shelly Berg that utilizes a "call-and-response" approach: students listen to a jazz idea, imitate it until it is internalized, and then try it on their own. In Chop-Monster 1, students will hear and improvise to the Ima7, iimi7, and V7 chords in the key of B-flat, plus a basic blues progression. In Chop-Monster 2 students will hear and improvise to the ii-V-I progression in three keys (concert B-flat, E-flat, F).
