## CRAZY BEES AND THE SCARED MARTIANS

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. John L Brown (illustrator). 216 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This a story about two martians landing on Earth to only find out that the creatures on Earth are weird and scary. So after investigating, the martians has had enough and heads back to Mars with their story of earth and the crazy bees. I wanted to publish this picture book to show other authors that don t know how to illustrate, that you can do it with clip-art, that s in public domain, which is free to use for personal and commercial projects. I have a book on Amazon that shows anyone how to do your own illustrations without having any drawings of your own. The book is Illustrate Free. I searched the net for all the free public domain clip-art I could find to illustrate this book. You must know Photo Shop to do your own illustrations. You ll need to know how to copy and paste, resize to fit your illustration. It s all in my book, Illustrate Free.
