Martino Fine Books, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.2013 Reprint of 1862 Edition. Exact facsimile of the original edition, not reproduced with Optical Recognition Software. Illustrated Edition. Jerry Thomas (1830-1885) was an American bartender. Due to his pioneering work in popularizing cocktails across the United States, he is considered the father of American mixology. In addition to writing the seminal work on cocktails, his creativity and showmanship established the image of the bartender as a creative professional. As such, he was often nicknamed Professor Jerry Thomas. In 1862, Thomas finished The Bar-Tender s Guide (alternately titled How to Mix Drinks or The Bon-Vivant s Companion), the first drink book ever published in the United States. The book collected and codified what was then an oral tradition of recipes from the early days of cocktails, including some of his own creations; the guide laid down the principles for formulating mixed drinks of all categories.
