Hampered by arthritis, Nostradamus is in no mood for granting favors or running about looking for trouble. But when his apprentice Alfeo s mistress asks him to investigate the murder of her beloved courtesan mentor--and promises a fortune in payment--he comes around. It appears that someone is murdering the courtesans of Venice. All were well-known, admired for their skills--and somehow connected by a sinister event involving one of the great families of the city. While Nostradamus attempts to use the dark arts to solve riddles which confound explanation, Alfeo finds himself led by a possibly demonic force through a maze of deceit and death. And when the master and apprentice come to the end of their intertwined paths, there may be hell to pay.
