His name is Asa, and with his coming, Josey's life--and later in time, Tara's as well--is about to change forever. Because there is treasure in the woods that belong to Josey's family. Gold--an untold fortune. Asa has a secret way of finding it, and his partnership with Josey's father could make them all rich. But there is darkness in the woods, and in Asa. And in the present day, Tara, Josey's descendent, is about to discover the truth about what really happened in the family's past. Eisner award winner Hope Larson weaves together history, romance, and a touch of her trademark magical realism in this remarkable graphic novel of how the past haunts a teenage girl's present.
