Balboa Press, 2016. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Sex Magic! Welcome! We all know that sex connects us to beauty, to magic. Yet, we live in societies where sex is devalued, denigrated even. You are invited to reclaim your birthright by connecting with this, your true source of power. Book one is a practical guide on how to practice sex magic with a partner, and how to draw a partner into your life. It contains all you need to bring your deepest intentions into reality. We take a look into how this sacred act has become devalued in society, and why. Drawing on my own experiences of initiation into this divine art, I show you how to harness the power of sacred sex. Book two, The Guide, explains what you need to know to create and maintain a healthy body. This is essential for the successful practice of sex magic. Everything is included, from diet and the gift of a well-hydrated body, to how to control your weight and your libido. We explore the power of attitude and using your word to make the changes you have been longing for. The magical result is a transformed life. When you are aligned to the flow of universal energy, you are free to become who you truly are, powerful beyond measure!.
