ZONDERVAN, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. The Biblical Hebrew Companion for Bible Software Users helps users understand the exegetical significance of Hebrew grammatical terminology identified by the program. This resource provides students who utilize biblical language software the insight they need to make sense of the data provided by the program, giving them deeper insight into the biblical text that they could not get by solely reading an English translation. The Biblical Hebrew Companion for Bible Software Users is ideally suited for: \* Pastors and ministry leaders who may have learned Hebrew at one time but have experienced the loss of much of that learning \* College and seminary students who are learning Hebrew and need a guide to help understand the significance of the grammatical terminology \* Bible software users who never formally learned Hebrew in the classroom and need help understanding the meaning of the terms they encounter With grammatical terms laid out and discussed in an intuitive and user-friendly format, readers can now spend time focusing on exegesis and applying their findings to their preaching, teachings, study, and writing instead of puzzling over the significance of grammatical terminology and how to apply it.
