

## Wild and Wounded: Shorter Poems 2000-2003 (Paperback)

By Michael Hamburger

Carcenet Press Ltd, United Kingdom, 2005. Paperback. Condition: New. Language: English . Brand New Book. Wild and Wounded collects Michael Hamburger s shorter poems since Intersections (2000). It is published to mark the 80th birthday of one of Britain s leading poets of the last half-century. The dominant theme in these poems is the passing of time - whether referring to the injured swan in the collection s title poem, a tree surreptitiously dying , or the poet himself, comtemplating.difficulties with grammar now, with tense, With mood, with person, case - and, yes, the sense. As illness, frailty, absence and obsolescence become more pressing to the poet, his poems, by contrast, achieve an enthralling robustness and vigour.
