

Flaws in the Ice: In Search of Douglas Mawson

Filesize: 8.18 MB

Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, changing the way I believe.

Rowman & Littlefield. Paperback. Book Condition: new. BRAND NEW, Flaws in the Ice: In Search of Douglas Mawson, David Day, Douglas Mawson was determined to make his mark on Antarctica as no other explorer had done before him. What really happened on the ice has been buried for a century. Flaws in the Ice is the untold true story of Douglas Mawson's 1911-1914 Antarctic Expedition, mistakenly hailed for a century as a courageous survival story from the Heroic Age of Antarctic Exploration. Prize-winning historian David Day takes off on a five-week odyssey in search of the real Douglas Mawson, famed colleague and contemporary of Ernest Shackleton and Robert Falcon Scott. Beginning his book on board an expedition ship bound for the Antarctic, Dr. Day asks the difficult questions that have hitherto lain buried about Mawson -, his leadership of the ill-fated Australasian Antarctic Expedition of 1911-14, his conduct during the trek that led to the death of his two companions, and his intimate relationship with Scott's widow. The author also explores the ways in which Mawson subsequently concealed his failures and deficiencies as an explorer, and created for himself a heroic image that has persisted for a century.To bolster his career and dig himself out of debt, Mawson would have to return from Antarctica with a stirring story of achievement calculated to capture public attention. South Pole expeditions, by-among others--Robert Falcon Scott and Roald Amundsen--were going on at same time With Amundsen having reached the South Pole-- and Scott having died on his return--Mawson would be forgotten if he did not return with an exciting story of achievement and adversity overcome. Mawson obliged, though the truth was something entirely different.For many decades, there has been only one published first-hand account of the expedition - Mawson's. Only now have alternative accounts become...
