An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Pamphlet Relating to the Claim of Sen or Don Jose Y. Limantour: Four Leagues of Land, County Adjoining and Near the City of San Francisco, California In the month of February, 1853, Jose Y. Limantour presented his petition to the Honorable the Board of Land Commissioners appointed to ascertain and settle private land claims in the State of California, to have confirmed to him two certain tracts of land, situate in the county of San Francisco. The lands claimed were described in the petition. Soon after Mr. Limantour had presented his petition to the Board of Commissioners, the press called public attention to the claim, published the petition, commented upon it with great severity, and evinced an evident intent to prejudice the public mind against it. From that time to the present, there has occasionally appeared, in some of the city papers, notices of the Limantour Claim, with hints, innuendos and imputations of fraud or forgery, or some other dark crime, as connected with it. Not a few individuals, pretending to claim large tracts of very valuable land within the boundaries of the Limantour claim, have been busy in their street conversations, in denouncing the claim as false and fraudulent.
