Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Green cheek conures are small parrots that also go by the name green cheek parakeet. Green cheek conures are among the most popular pet birds today. They love to play. Once they are used to you, they will also let you cuddle and pet them quite a bit. They are extremely fun loving birds that can even be goofy at times. They will keep you entertained with antics like hanging upside down from the cage and bathing in their water bowls. These birds are mostly independent and can keep themselves entertained for the most part. However, they do need your attention from time to time, without which they may develop behavioral issues. When you bring home a green cheek conure, you need to understand the responsibility of the bird. These birds have a long life span and can stay with the family for close to 30 years. This book will tell you everything that you need to know about raising conures. This is your go-to guide if you are still a beginner and do not have any experience with pet birds. From the time you bring the bird home to the common challenges with the bird s health, this book covers everything that you need to know to have a happy time owning a pet conure. Covered in this book: Care Costs Daily care Do s and don ts Feeding Health Hygiene History Intelligence One or two Personality Pro s and Con s Tips on buying Training Travelling .and much more.
