Would you love the power, freedom and control of being your own boss? Whether you want to (1) bring your brilliant idea to the marketplace, (2) firmly establish your new business on a solid foundation, (3) be your own boss and control your own destiny, this book will guide you through the process of creating a winning business plan the right way. You can successfully start your own business, even if you've never taken a business class in your life! Business plans are the heart and soul of any successful company. When you start a business, a business plan will help you obtain three important things: capital, an operating structure that works, and most importantly, success. A business plan pulls together everything about your business and records it in a single document that will grow as your business grows. A business plan provides a general overview of your current business status and shows where you plan to take it in the future. This single document can make or break your potential for success. The most successful business owners plan, manage, and lead their business toward success, by following a winning plan. You can do the same. Create A Winning Business Plan The business plan is the foundation for any successful business. Your business plan describes your operating structure, your products and services, your finances, and your marketing plans. It also sets a keen eye on your competition. You need a business plan; without one, it's nearly impossible to organize all of the information you need in a clear and concise manner. When written correctly, it can increase the chances of your business thriving well beyond the first couple...
