## HISTORIA DE MI HIGADO Y OTROS ENSAYOS (PAPERBACK)

Fondo de Cultura Economica USA, 2017. Paperback. Condition: New. Language: Spanish . Brand New Book. My liver and twelve other problems puts together twelve essays that flow with versatility and inventiveness among the splendor and the fall of the romantic ballad, showing the unyielding intensity of Stanley Kubrick, along with the escapism and the spleen that entail the feeling of delay when being in a bathroom or the poetically incorrect art of being sick and then cured. This pages bet on the literary essay, if explained in words of the author it sustains on leisure, relaxation or the distension of the idea and rambles off in the same way Montaigne did towards the concept that the reader will discover a multiplicity of possibilities and affections.
