

Lecture Notes on Qualitative Analysis (Classic Reprint)

By Henry B Hill

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Lecture Notes on Qualitative Analysis Although the advantages to be gained by teaching qualitative analysis by lecture are sufficiently obvious, it is a serious disadvantage to the student that the necessity of taking proper notes often prevents him from seeing what takes place upon the lecture table. This little book was intended to give concisely the most important facts essential to intelligent work in the laboratory, and thus give the student more leisure for observation in the lecture room. A comparative description of those compounds of bases and acids which are commonly found or used in analysis is first given, and afterwards a method of separation which experience has proved to be sufficiently simple and accurate, is briefly explained. This method of procedure from the properties of compounds to the methods of separation will also serve to show the way in which the more difficult problems of analysis must be solved. No tables for analysis have been given, since their use is of questionable advisability, and, if used, are much better drawn up by the...
