

The Iron Heel

By Jack London

Wildside Press. Paperback. Book Condition: New. Paperback. 364 pages. Dimensions: 8.5in. x 5.5in. x 0.8in. While he is best known for his stories of adventure in the outdoors, such as *White Fang* and *The Call of the Wild*, London also wrote a significant body of science fiction, including the caveman novel, *Before Adam* (1906), the post-holocaust novel, *The Scarlet Plague* (1912), and *The Star Rover*, a book about a convict under torture who can project his mind to far times and places, which profoundly influenced Robert E. Howard. *The Iron Heel* (1907) is a major work of dystopian fiction, the product of London's Socialism, about a fascist-capitalist tyranny in the United States in the 20th century and its struggle with the enslaved proletariat. As such it is an important ancestor to Zamyatin's *We* and Orwell's 1984. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

This pdf can be well worth a read, and much better than other. I am quite late in start reading this one, but better then never. Your daily life span will probably be transform when you full looking over this book.

-- **Roxanne Stehr**

Here is the finest publication we have read right up until now. It is actually writter in easy words instead of difficult to understand. Its been written in an remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.
