Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Libraby of the University of California The vegetation of the valley, especially as we pursue an eastern Course, indicates at a not very remote period, perhaps not more distant than when the cries of the Spanish invader echoed along the mountain wilds, that trees, now hardly seen, have been abundant, their roots still in good preservation, being probably sustained from decay by the extreme dryness of the Climate, rain not falling more than a few moments in a year. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
