Steel Cut Press. Paperback. Book Condition: New. Paperback. 304 pages. Dimensions: 8.9in. x 6.0in. x 0.8in. The Vietnam War is on the nightly news and women are burning bras in the fast-changing world of the 1960s, but thirty-year old Laura wonders why her choice as a feminist couldn't be to have a baby without marriage. Laura not only has to justify her desire to her forward-thinking friends but to her fundamentally religious siblings as well. Yet, her most important mission is to find a man who will agree to impregnate her and then get out of the picture once the act is accomplished. Four narrators push along the events in *Of Little Faith*, set in 1960s Seabrook, Long Island, as three adult siblings converge in their recently deceased fathers home. Laura is a 30-year-old newspaper columnist from New York. Her brother, Eric, is a compassionate minister trying to find his faith, and sister Beth is an angry and disapproving fundamentalist who is determined to hinder her siblings' desires in the name of her religion. They share the narration with Eric's wife, Jenny. Tragic secrets are revealed without resorting to high drama in this portrayal of two separate halves of counterculture and suburban banality. Readers will find *Of Little Faith* to be uplifting and heartfelt in the most surprising of ways. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
