WORZZLER (ENGLISH, INTERMEDIATE, 400 PUZZLES) 2017.11: WORD SEARCH MEETS SUDOKU (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The English Intermediate Worzzler Puzzle book contains 400 puzzles from levels 1 to 10. Words are randomly selected from the Medium dictionary, which contains 5,569 words. For additional information and to get some free puzzles to try with our teaser PDF, visit our website at What is WORZZLER? WORZZLER is a word puzzle game where you have to find words that use all the letters in a grid without reusing any letter. Letters are connected, forward, backward, horizontally, vertically and at right angles to each other. Longer words often snake through the grid, making it hard to see them. There is always one guaranteed solution, but other solutions are possible depending on your vocabulary. WORZZLER is a memory, word search, puzzle and deduction game and we think it is similar to Sudoku, because each letter in the grid has a specific purpose in solving the larger puzzle. You will need a pencil or pen with an eraser, because you will see other words that aren't part of any solution. However, if you can deduce a solution, that is different from ours, then your solution is also correct. We plan on offering 9 language topics; English, French, German, Italian, Spanish, Portuguese, Portuguese (Brazil), Russian and Danish. Each topic contains dictionaries with 4 to 8 letter words, organized around the most popular words of the language. We've tried hard to remove inappropriate words, such as capitalized names and swear words. Puzzles are based on a specific dictionary, as shown below: Easy has the fewest words, and is designed for young players (8) and individuals learning a language. Medium is good for most adults. Hard will challenge individuals with college or...
