Audible Studios on Brilliance, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. An infinite, sweeping saga of interstellar war the first SF classic for the 21st century. The empire of the Shaa lasted 10,000 years. Years of terror, infinite violence and oppressive, brutal order. Now the Shaa are no more, but the terror and violence are only beginning. The Shaa, rulers of the universe, began to commit ritual suicide when it became clear that their minds profoundly intelligent but limited would accept no further information. Near immortality was their one, great mistake. And so began the war between the Naxids, oldest client race of the Shaa, who believed themselves inheritors of the empire, and a frail alliance of other races, including humanity. And so, the story of a dread empire s fall begins.
