

## An An Introduction to Linguistics and Language Studies (Paperback)

By Anne McCabe

Equinox Publishing Ltd, United Kingdom, 2017. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. The second edition of this popular textbook provides readers with a foundation in methods for analysing and understanding language from various theoretical perspectives within linguistics and language studies. Its novel approach introduces systemic functional linguistics, text and discourse analysis, and formal approaches to linguistics. It demonstrates applications of these approaches to reveal how we use language in society, how our brains process language, and how we learn language. The main language focused on is English, while other languages are also drawn on to illustrate the principles, models and theories. Learning outcomes, exercises (with answer key), ideas for project work, and questions for reflection are provided throughout. A final chapter gathers explanations of various fields of practice within linguistics, written by linguists from around the world. The second edition includes added explanations, examples and exercises, updated references and web links and an expanded number of entries in the glossary. It also provides a new configuration of the material related to syntax and lexico-grammar, giving readers the opportunity to see more clearly the contrasts between formal and functional analyses and to understand the differences in...
