Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Blake Caster has been in an emotionally abusive relationship with Justin for so long, she can't tell what is normal anymore, and so she clings to the one thing that is solidly hers - her passion for extreme weather. Three years into her meteorology degree, Blake meets professional storm chaser Dash Lexington, who is as gorgeous as he is daring. Instantly recognizing her passion and skills in analyzing weather data, he makes a spot for her on his tight-knit storm chasing team. Dash and Blake form a fast friendship, and it forces her to realize just how toxic her relationship with Justin is. She can't deny the lightning-worthy chemistry she has with Dash or how her heart stalls every time he gets too close to a tornado. With each chase and the cherished moments with Dash, Blake discovers her own self-worth and gains the strength to end things with Justin for good. But he won't go easily. As Blake tries to sever ties with one man, she fears she'll lose the other to his dangerous obsession - and she doesn't know if she'll be enough to save him from the impending storm that could end them all.
