GOOD MEDICINE FOR THE BOW (PAPERBACK)

Friesenpress, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It was not easy to establish and maintain a frontier community. Aside from the harassment from the native americans, there were the usual petty jealousies and worse, a total lack of law enforcement. Fortunately there were individuals whose leadership would overcome the desire for personal gain and supplant the community effort. These were people who wanted something more and sacrificed to make it happen. But this book is not about people, it is about dedication. It is about a process that includes men and women who want to be a part of something greater than themselves. This is a process that is uncommon today, but was common in frontier Wyoming.
