Reviews

Totally among the best publication I have ever go through. This really is for all those who statte that there had not been a well worth studying. I am just very happy to let you know that this is actually the very best pdf we have go through inside my very own daily life and could be he very best ebook for actually.

SPANISH-ENGLISH PICTURE DICTIONARY

[DOWNLOAD](#)

b small publishing limited. Paperback. Book Condition: new. BRAND NEW, Spanish-English Picture Dictionary, Catherine Bruzzone, Louise Millar, Louise Comfort, Stephanie Dix, Diego Blasco Vasquez, It's never too soon to start teaching boys and girls a second language, and this book presents pages filled with cheerful color pictures that help teach Spanish words to English-speaking children in early grades. It presents more than 350 illustrations of familiar objects, with nine pictures on each page. Every picture is labeled with its English word, followed by its Spanish equivalent. The translated word is followed in turn by a phonetic spelling in smaller type. Words are grouped according to themes, such as Sports, The Classroom, Fruit, Vegetables, Party Time, Weather, and many others. For example, the nine illustrations on the Sports page show pictures with bilingual labels for football, table tennis, skiing, fishing, gymnastics, athletics, cycling, swimming, and basketball. Here's a fun way for younger English-speaking children to build a basic vocabulary in Spanish.
