DIFFICULT MOTHERS: UNDERSTANDING AND OVERCOMING THEIR POWER

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. An essential work for listeners seeking compassionate, wise guidance about the powerful relationship between mothers and their sons and daughters. Mother love is often seen as sacred, but for many children the relationship is a painful struggle. Using the newest research on human attachment and brain development, Terri Apter, an internationally acclaimed psychologist and writer, unlocks the mysteries of this complicated bond. She showcases the five different types of difficult motherthe angry mother, the controlling mother, the narcissistic mother, the envious mother, and the emotionally neglectful motherand explains the patterns of behavior seen in each type. Apter also explores the dilemma at the heart of a difficult relationship: why a mother has such a powerful impact on us and why we continue to care about her responses long after we have outgrown our dependence. She then shows how we can conduct an emotional audit on ourselves to overcome the power of the complex feelings a difficult mother inflicts. In the end, this audiobook celebrates the great resilience of sons and daughters of difficult mothers as well as acknowledging their special challenges.
