Xulon Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Katy and Carl board an old sailing ship in hopes of a better life; they have dreams of profiting from the 1800s Gold Rush in the United States. Once aboard the ship christened History, they have a grand adventure shared with Lars, First Mate Sanford, supercargo Jim Bone and the stern Captain Keely. With Katy's take-charge attitude, she and Carl help all the sailors on the ship learn better cooperation and ultimately achieve their goal of reaching the gold mines. Along the way they must deal with arguments (and even gunfights) among the crew, pirates, slave traders, frightening weather conditions, and, possibly, spirits from ship voyages of the past. Throughout the journey, which truly is the focus of this story, the crew and passengers learn valuable history related to the Gold Rush told to them by a most interesting fellow traveler. You will find that during the voyage, Katy and Carl, along with other members of the crew, learn valuable life lessons and end up wiser and more mature than when they began. History-Sailing toward Gold is the first in a series about the California Gold Rush.
