FABER FABER, United Kingdom, 2003. Paperback. Condition: New. Main. Language: English . Brand New Book. As the title implies, Simon Armitage's flesh-and-blood account of numerous personal journeys reads like a private encyclopaedia of emotion and health. Vivid and engaged, the poems range from the rainforests of South America to the deserts of Western Australia, but are set against the ultimate and most intimate of all landscapes, the human body. Equally, the body politic comes into question, through subtle enquiries into Englishness and the idea of home.
