Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I wrote this book to encourage my church family. Being a working man I know the long hour s mothers and fathers put in. I m well aware that they don t have enough time to read and that some books are too long; So, I have tried to keep it short so that this will no longer be a complaint anymore. I was not looking to write a literary masterpiece but to write some words to motivate those who may be believers but don t believe they can have more and do more according to GOD s word. I want them to choose life MORE abundantly (John 10:10) and not to settle for less and be complacent. I want to help to end the thinking that they are not worthy. If you read this book and find it helpful, to GOD be the Glory. Thank you and please tell others. This is not about working your behind but working your mind in the fields of GOD s Word. It is about transforming ineffective poor thinking into effective rich thinking. Here s to your new thinking, Dr. Neville Patrick Butler Pastor, the Narrow Gate Family Life Church.
