SILENT SCREAMS

Outskirts Press. Paperback. Condition: New. 128 pages. Dimensions: 8.9in. x 5.9in. x 0.5in. Lizbeth is lost in a world of abuse that offers no escape. Her Grandmother (Nana) tries to shield Lizbeth from her mother (Judy), but it is often difficult. Judy is a diabolical, self-indulging partier who's looking for Mr. Right to take her from the squalor of her heritage, and will stop at nothing to get what she wants. In the 1950s the child protection agencies did not get involved in family situations unless a report was made to the authorities, and even then it was questionable. Lizbeth lived in a poor farming community that was barely eking out a meager living and butting into someone else's business was not the way of its citizens. They know Judy is no good but can really do nothing to appease the situation until one day it gets out of hand and Judy leaves the community. Nana and Gramps have instilled a love of God in Lizbeth's young life, and that knowledge of a loving, protecting Being is often the only thing that allows Lizbeth to survive ordeals that are far too painful for a four-year-old to suffer. Lizbeth endures the death of her beloved Gramps, but is content in the love and security that Nana provides, even though Judy continues to pop in and out of her life, wrecking havoc and pain with each visit. Then suddenly Judy comes home with a new daddy for Lizbeth, and she is expected to go live with a woman who hates her and a man she doesn't know. Her world is ripped apart with fear and anxiety leaving Nana behind, who has been her protector. Lizbeth comes to love her stepfather, who is unaware of his wife's unfaithfulness, or the rape of...
