## THE END OF THE LINE: LOST JOBS, NEW LIVES IN POSTINDUSTRIAL AMERICA

DOWNLOAD

University of Chicago Press. Paperback. Book Condition: New. Paperback. 250 pages. Dimensions: 8.9in. x 6.0in. x 0.6in. The End of the Line tells the story of the 1988 closing of the Chrysler assembly plant in Kenosha, Wisconsin. Kathryn Marie Dudley uses interviews with residents to chart the often confusing process of change that deindustrialization forced on every corner of the community. This honest, moving portrait of one town's radical shift from a manufacturing to a postindustrial economy will redefine the way Americans think about our families, communities, and future. An excellent study not only of the cultural disruptions caused by the shutdown of Chrysler's operations in Kenosha, Wisconsin, but also of the ideology of progress that abetted the shutdown. Stephen Amberg, *Industrial and Labor Relations Review* With the eye of an anthropologist, Dudley examines the tensions between the culture of hands and the culture of mind. Her account is especially instructive because, by many measures, Kenosha has successfully recovered, yet for many the pain still remains. *Booklist* Exceptional. . . . Should be widely read. Douglas Harper, *Contemporary Sociology* Makes clear what a tenuous concept economic security is, especially when the rules for achieving security are in flux. Barbara Presley Noble, *New York Times* This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
