THE PSALTER.0) Up to this point we have been occupied with general discussions as to the transmission of the Old Testament among the Jews, and the collection of its books into a sacred canon. In the remaining part of our course we must deal with the origin of individual books; and as it is impossible in six lectures to go over the whole field of the Old Testament literature, I shall confine myself to the discussion of some cardinal problems referring to the three great central masses of the Old Testament, the Law, the Prophets, and the Psalms. The present Lecture will deal with the Book of Psalms. The Psalter, as we have it, unquestionably contains Psalms of the Exile and the new Jerusalem. It is also generally admitted to contain Psalms of the period of David, thus embracing within its compass poems extending over a range of some five hundred years. How did such a collection come together? How was it formed, and how were the earlier Psalms preserved up to the date when they were embodied in our present Psalter? In discussing this question, let us begin by looking at the nature and objects of the Psalter. The Book of Psalms is a collection of religious and devotional poetry. It is made up mainly of prayers and songs of praise. But it is not a collection of all the religious poetry of Israel. That is manifest from the circumstance...
