## American Housewife (Hardback)

By Helen Ellis

Simon Schuster Ltd, United Kingdom, 2016. Hardback. Condition: New. UK ed.. Language: English . Brand New Book. Meet the women of American Housewife. They smoke their eyes and paint their lips. They channel Beyonce while doing household chores. They drown their sorrows with Chanel No. 5 and host book clubs where chardonnay trumps Charles Dickens. They redecorate. And they are quietly capable of kidnapping, breaking and entering, and murder. These women know the rules of a well-lived life: replace your tights every winter, listen to erotic audio books while you scrub the bathroom floor, serve what you want to eat at your dinner parties, and accept it: you re too old to have more than one drink and sleep through the night. Vicious, fresh and darkly hilarious, American Housewife is a collection of stories for anyone who has ever wondered what really goes on behind the facades of the housewives of America.
