HOW IMAGES THINK

MIT Press Ltd. Paperback. Book Condition: new. BRAND NEW, How Images Think, Ron Burnett, Digital images are an integral part of all media, including television, film, photography, animation, video games, data visualization, and the Internet. In the digital world, spectators become navigators wending their way through a variety of interactive experiences, and images become spaces of visualization with more and more intelligence programmed into the very fabric of communication processes. In How Images Think, Ron Burnett explores this new ecology,...
