Editorial Oceano de Mexico, United States, 2010. Hardback. Condition: New. Language: Spanish . Brand New Book. Pteranodonte es un reptil volador tan grande que junto a él dos autos familiares se verían diminutos. Parece demasiado pesado para volar, pero sus huesos huecos lo hacen más ligero que un niño de 6 años. Es un experto atrapando peces con su largo pico, pero debe tener cuidado. Bajo la superficie del mar se ocultan monstruos listos para saltar desde las profundidades. Dino Historias es una serie de libros sobre los animales de la Era de los Dinosaurios, diseñada estilo Cómic. Cada libro narra una emocionante historia de aventura y peligro.
