## Z: HOW ZOMBIES SHAPED HUMAN HIZTORY (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Zombies have been the subject of movies and books for decades, since George Romero s breakthrough work, Night of the Living Dead in 1968. But what if there are earlier instances of which the public is unaware? You see, Zombies actually do exist. The author guides us along an ominous trail of religious, scientific, and historical evidence that undeniably exhibits how Zombies are still affecting the course of our tattered history. From the ancient Egyptian pharaohs to the Centers for Disease Control, we have been staggering to defend life as we know it from the hordes of approaching Zombies. Carrying the torch first lit by Julius Caesar s secret society to guide the light of humanity s struggle, the author has painstakingly compiled this substantial body of research. It is our last hope as we prepare for the impending Zombie apocalypse.
