## SELECT WRITINGS OF RALPH WALDO EMERSON (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Select Writings of Ralph Waldo Emerson Philosophically considered, the universe is composed of nature and the Soul. Strictly speaking, therefore, all that is separate from us, all which Philosophy distinguishes as the not me, that is, both nature and art, all other men and my own body, must be ranked under this name, nature. In enumerating the values of nature and casting up their sum, I shall use the word in both senses, in its common and in its philosophical import. In inquiries so general as our present one, the inaccuracy is not material & no confusion of thought will occur. Nature in the common sense, refers to essences unchanged by man; space, the air, the river, the leaf. Art is applied to the mixture of his will with the same things, as in a house, a canal, a statue, a picture. But his operations taken together are so insignificant, a little chipping, baking, patching, and washing, that in an impression so grand as that of the world on the human mind, they do not vary the result. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
