This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. As through a crack in the wall, *By Night in Chile* s single night-long rant provides a terrifying, clandestine view of the strange bedfellows of Church and State in Chile. This wild, eerily compact novel Roberto Bolano s first work available in English recounts the tale of a poor boy who wanted to be a poet, but ends up a half-hearted Jesuit priest and a conservative literary critic, a sort of lap dog to the rich and powerful cultural elite, in whose villas he encounters Pablo Neruda and Ernst Junger. Father Urrutia is offered a tour of Europe by agents of Opus Dei (to study the disintegration of the churches, a journey into realms of the surreal); and ensnared by this plum, he is next assigned after the destruction of Allende the secret, never-to-be-disclosed job of teaching Pinochet, at night, all about Marxism, so the junta generals can know their enemy. Soon, searingly, his memories go from bad to worse. Heart-stopping and hypnotic, *By Night in Chile* marks the American debut of an astonishing writer.
