

Further Adventures in the Restless Universe (Paperback)

By Dawn Raffel

Dzanc Books, 2010. Paperback. Condition: New. Language: English . Brand New Book. Dawn Raffel s stories are like prismatic drops of rain, hanging from the edge of a roof or sliding down a windshield, reflecting an entire world within. The language of motherhood, of adulthood, of childhood -- the language of family and individual -- has never been like this. Sly and probing, with the sting of precision and pain. --Susan Straight In Dawn Raffel s Further Adventures in the Restless Universe the oppressive truth of our mortality unsettles but does not vanquish the spirit. The woman as drudge may be a failure at folding, but she is a rare songmaker whose dialogues with a son, a sister -- the usual figures from the family romance -- make for a musical and philosophical call and response. The son proposes one way to keep birds from crashing into fatally clear windows is to open the windows all over the world. These stories promise more life. Take them to heart! --Christine Schutt When Dawn Raffel was a very small child, her father used to read to her nightly from The Restless Universe--a layman s guide to physics by the Nobel Laureate Max...

Reviews

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).
