SOURCES FOR A HISTORY OF THE MEXICAN WAR, 1846-1848 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Sources for a History of the Mexican War, 1846-1848 Our war of 1846-48 has often been regarded as an isolated event, merely an episode in our history; and to a considerable extent so it was. We fought and we made conquests of value; but neither war nor conquest was an essential part of our national policy. We can lay our fingers upon the causes of the war one by one, and its results are equally within compass. No foreign nation became involved, nor did serious complications of any sort grow out of the affair. In short, it was much like a small, though vigorous, New England thunderstorm, made up of local currents and a few black, tufted clouds, which overwhelms some valley with darkness, roar and food, yet is plainly visible in its entirety from the neighboring mountain. For this reason the subject possesses a rare attractiveness for the investigator, so often baffled or embarrassed by the reach of his vistas; while at the same time, as will presently appear, certain peculiar subtleties create a special interest of precisely the opposite kind. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
