THE UNEXPECTED GIFT (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. To my readers who have patiently waited for the next books in the Divine Love Story Trilogy and the Chronicles of Warfare Series, I decided to drop an appetizer to whet your appetites and hold you over as you anticipate the main course. The Unexpected Gift is a Christmas surprise for my loyal readers. It features two short stories, one from each series. The Divine Love Story picks up six months from where Color Me Blind left off to give you a bit more background before the release of Book II, Breach of Faith. The Chronicles of Warfare story picks up right where Saturday Showdown left off - Nigel and Kadajah's highly anticipated union. See how this love blooms to create the promised child and how the angels and demons are preparing for her arrival. This book also includes the first chapters of Breach of Faith and My Brother's Daughter. But wait, there's more. A special bonus feature! Enjoy!.
