Doubleday Canada, 2003. Soft cover. Book Condition: New. Book Description Bestselling financial advisor David Bach brings us his proven, revolutionary system that in one hour will make readers -- even those not smart about money, not disciplined or budget-minded -- rich. The Automatic Millionaire shows readers how to change financial practices and financial lives, beginning with a powerful story of an average Canadian couple -- he's a low-level manager, she's a teacher -- whose joint income never exceeds \$55,000 a year, yet who somehow manage to own two homes debt-free, put two kids through college, and retire at 55 with more than \$1 million in savings. The incredible message Bach delivers is that the key to getting rich is by automating the way to wealth by paying yourself first, using automatic funded retirement accounts and money market accounts to secure the future and pay for the present. In a short book destined for bestseller lists, The Automatic Millionaire introduces readers to a system that is powerfully simple, and automatically effective, a life-changing system that delivers. Do it once, the rest is automatic. From the Back Cover The Automatic Millionaire is an automatic winner.
