Applause Theatre & Cinema. Paperback. Condition: New. 256 pages. Dimensions: 0.0in. x 5.2in. x 7.8in. While contemporary American culture may be fixated on youthful sex appeal, the truth is that the most complex and interesting characters in dramatic literature have been (and still are) those over 40 years old. Whether its George and Martha in *Whos Afraid of Virginia Woolf* or Willy Loman in *Death of a Salesman* or the four grade school parents in *God of Carnage*, the richest characters are those over 40, whose wealth of experience often helps little when it comes to making the difficult decisions. These two companion volumes will mine the deep and fertile vein of world drama (with an emphasis on lesser-known contemporary work) as it relates to monologues and scenes for mature actors. The result is certain to be a surprising and enriching one for both the dedicated professional and the inquisitive amateur. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
